

Optometry

You're inspired by the science around how we see. Embark on the journey to professional registration as an optometrist at ARU.

BOptom Optometry

- 100% students in work or further study 6 months after graduation
- Stay in the UK for a further two years to complete Pre-registration
- Accredited by the General Optical Council (GOC)
- Gain practical experience by working on our on-site University Eye Clinic
- Hands-on, practical opportunities to learn through work-based projects, internships or placements.

Further details can be found here
